## Creating Safer Festivals for Everyone

The Federation and its member Festivals use the following policies and procedures to create **Safer Festivals** for everyone:

1. A single, definitive Child Protection Policy and a Vulnerable Adults at Risk Protection Policy adopted by all Federation Festivals.
2. One or more designated Festival Safeguarding Officers (FSO) appointed for each Federation Festival.
3. Name: Lynsey Paterson                      Phone: 07723 436130
4. Best practice advice in the form of **Safe Working Practice** and **Festival Child Protection leaflets**, with support and training for all Festival staff and volunteers. Including clear reporting procedures for anyone with a concern about a child or a vulnerable adult.
5. Appropriate recruitment and induction procedures for all new Festival staff and volunteers responsible for providing safe environments for everyone attending / performing at a Federation Festival.
6. All Festival personnel wear a coloured lanyard with a photographic identity badge. All teachers/parents/guardians/carers are asked to report all incidents of any nature to anyone wearing a Yellow or Blue lanyard with their identity badge. All reported incidents will be handled in accordance with the **Safe Working Practice** and **Festival Child Protection** best practice advice. In addition we will ensure the availability of a quiet area / room where concerns can be expressed in private.
7. For the duration of the Festival, all teachers/parents/guardians/carers are responsible for the continuous care and supervision of their own children/pupils/vulnerable adults. If they are unable to attend personally, they must delegate their responsibilities to an identified adult and ensure that their children/pupils/vulnerable adults are aware of the identity and name of the person responsible for their care. This includes supervision throughout all Festival venues, performance, practice and changing areas that may be provided.
8. No unauthorised photography, audio or video recording is allowed at our Festivals. Where parents/guardians/carers do not wish photos to be taken at all, then the responsible adult attending should ensure that their child/pupil/vulnerable adult is not included in official authorised photos.
9. Some children and vulnerable adults may have specific needs in order to take part. If this is the case we ask the responsible teachers/parents/guardians/carers to contact the Festival Secretary prior to arrival. The Festival actively seeks wherever possible to meet these needs, but must know beforehand in order to prepare support – or to advise that help cannot be provided on this occasion.
10. The Festival's Child Protection Policy, Vulnerable Adults at Risk Protection Policy and approach to Creating Safer Festivals for Everyone is published explicitly in our Syllabus and Programme. By completing and signing the entry form all parents / guardians / carers and teachers of entrants under 18 (or vulnerable adults of any age) confirm that they give (or have obtained) the necessary consents for the entrants to take part in the Festival. Without consent, the entry to the Festival cannot be accepted.

## **President's Letter**

Welcome to the Programme for Perform in Perth 2022.

I am delighted that we are going to be holding this year's event live, and with audiences in attendance. Creating this atmosphere will make the whole experience far better and more enjoyable for performers.

Although we are still living with some COVID restrictions, these are much less severe than we have all been used to for almost 2 years now. However, please do take note of what the restrictions and rules we have had to put in place and help us ensure everyone's safety.

This year we have 663 entries and are delighted to see such a level of support for the Festival when music tuition especially has been so disrupted in schools for so long. I want to say a huge thank you to teachers and performers for all their hard work over the last few months and wish everyone success with their performances.

The Committee is working hard on our centenary exhibition which we hope will go live and on show later this spring at a venue still to be finalised. This will continue to be on display up until the 100<sup>th</sup> Festival in 2024.

We have plans in place to stream edited versions of each festival session, after the sessions have concluded, so that people unable to attend in person will still be able to enjoy the festival.

I would like to acknowledge those Trusts and Organisations that have supported us financially this year as, without their funding, the Committee's task of putting on the Festival would be even more challenging than it already is.

As we approach our 100<sup>th</sup> Festival in 2024, the Committee would ask you to look out any old newspaper cuttings and photographs, so that we can celebrate in style by being able to present the aforementioned exhibition in the run up to, and during, the 2024 Festival. This event has, after all, been a major component in the cultural calendar of Perth for more than 100 years and this fact should be celebrated in every way that it can be.

I do hope that you enjoy Perform in Perth 2022. If you have any suggestions on areas where we can make changes to improve your experience of attending the Festival, please let us know and we will consider all suggestions made as we formulate our plans for our 2023 Festival.

I hope that you enjoy this year's Festival.

**Neil Copland** (President)

Scotland's largest  
education trade union

## **We are proud to support Perform in Perth**

The Educational Institute of Scotland (EIS) is Scotland's largest education union, representing over 80% of teachers, including Instrumental Music Teachers. We are campaigning for local and national government to 'Change the Tune' and invest in Instrumental Music. The EIS successfully campaigned for all instrumental music lessons in schools to be free of charge. We believe that all children should have the opportunity to learn a musical instrument as part of their core education. Please read and share our Charter for Instrumental Music.
